

RAPTOR SERIES

Royal Flair caravans combine bespoke design, innovation, and sustainability for a travel experience beyond expectations.

A leader in Australian bespoke caravan design since 1975, redefining travel with innovation and style for over 50 years.

Raptor Series

Built for Action by Royal Flair Caravans

The Raptor by Royal Flair Caravans is engineered for action-packed getaways—a bold blend of rugged durability, smart design, and modern convenience built for serious outdoor adventure.

Equipped with a roof rack and electric winch for your tinny or boat, plus a rear tray designed to carry a quad bike or motorbikes, the Raptor is made for travellers who bring the toys and chase the thrills.

With ample storage, and premium features included as standard, the Raptor delivers next-level versatility—perfect for going further, staying longer, and making every trip unforgettable.

Raptor

Designed for action-packed getaways. The Raptor blends versatility, rugged durability, and modern convenience, offering ample storage, rooftop compatibility, and premium features to fuel every outdoor adventure.
